Dated: 27-01-2013

To,

All HOD's of Institutions, GNCT of Delhi.

**Sub: DHS Logo on imported medicines.**

Sir/ madam,

As per the term & condition of CPA tender in general, supplier has to provide the stock with printed DHS logo & marking. Some suppliers of imported items have requested for affixing stickers for Logo and Marking in place of getting that printed, for technical reasons.

All HOD's are requested to receive such imported items with required stickers for Logo and Markings without any mentioning of MRP etc.
